Planning matters will normally be discussed and decided upon at the Planning Committee meetings only, but from time to time the Full Council may need to consider planning applications due to deadline constraints. Planning meetings will not take place if there are no live planning applications to comment upon.

All agendas will be published at least five days before the meeting date on www.lingfieldparishcouncil.gov.uk

The public are invited to observe meetings of the Council, which discuss and decide upon business set out in the agenda only. Members of the public may only make contributions during the public participation item on the agenda, and are not permitted to contribute at any other time. There is a maximum of 5 minutes per person, and 15 minutes in total, allocated for the public participation item (which can be altered at the discretion of the Chair). During this item members of the public may pass any comment they wish – however Councillors are not permitted to enter a dialogue during the meeting and so no discussion will take place. The most effective way to ask questions to which a response is required is to contact the Clerk or a Councillor outside of meeting times. If you wish to comment during public participation, please be sure that contributions do not repeat anything already said before.

The relevant [standing orders](#) governing the operation of public participation at meetings can be found at 3f, 3g and 3h.

For further information please contact the Clerk by email.
