Leave Lingfield and Dormansland Community Centre by the side gate and turn right to go along the twitten. On reaching St Peter and St Paul Churchyard, turn right and right again leaving the Churchyard via Church Gate. Cross the road and take the tarmac path which leads down to Station Road. Cross the road and head for Lingfield Station. Enter the Station and go over the Station footbridge. Walk straight ahead along the platform, descend the steps and go left to the kissing gate, Walk straight ahead to cross the footbridge over Eden Brook.

Continue straight ahead; cross the small footbridge over the boggy area and bear right. Go through the kissing gate and up the hill. At the crossing of the ways, follow the path which is signposted to the right. At the bottom of the field, go over the stile into St Piers Lane.

Walk in single file along St Piers Lane until you reach the Medical Centre on your right. Turn right along the signposted tarmac road, which eventually bears around to the left. A couple of hundred yards further along look out for a sign post on your right and turn right onto the footpath, which runs between trees. At the end of this footpath turn left, where you will have wonderful views of the North Downs. Eventually you will go through a kissing gate and turn left. Cross over two stiles in fairly quick succession and then you will reached the National Centre of Young Epilepsy sports ground. Go straight ahead and, at the end of the sports ground, bear right through some undergrowth and immediately left onto St Piers Lane once more.

Cross the road and go over the stile straight ahead and then over two more stiles when you will reach Gratwick Wood. Go straight ahead on the obvious path and then go through the

gate at the far end of the wood. Turn left and go straight ahead, passing the tree line on your right and then go downhill until you reach an obvious path through the field of crops where you turn right. At the far edge of this field, continue to go straight ahead on a rough track, with a bungalow on your left. At the end of this track, turn left into Park Lane and take the crossing over the railway. When you emerge into Station Road, cross the road and turn right. After a couple of hundred yards you will see a footpath sign which leads to a path between high fences. Turn left and at the end of the path go straight ahead along Little Lullenden. When you reach the junction with Saxbys Lane, turn left and, after about 50 yards, cross the road and turn right to take the tarmac footpath which goes uphill. When you reach the corner of Jenners Field, turn left. Descend the steps at the end of this path, cross over Vicarage Road and ascend the two flights of steps, with the Lingfield Community-Partnered Library on your right. Bear right through St Peter and St Paul Churchyard and continue along the twitten which will take you back to the Lingfield and Dormansland Community Centre.
