Walk compiled by Sandra Silvester

Leave Lingfield and Dormansland Community Centre by the side gate and turn right to go along the twitten. On reaching St Peter and St Paul Churchyard, turn right and right again leaving the Churchyard via Church Gate. Cross the road and take the tarmac path which leads down to Station Road. Cross the road and head for Lingfield Station. Enter the Station and go over the Station footbridge. Walk straight ahead along the platform, descend the steps and go left to the kissing gate. Walk

straight ahead to cross the footbridge over Eden Brook. Continue straight ahead; cross the small footbridge over the boggy area and bear right. Go through the kissing gate and up the hill. At the crossing of the ways, follow the path which is signposted to the right. At the bottom of the field go over the stile into St Piers Lane.

Walk in single file along St Piers Lane until you reach the Medical Centre on your right. Turn sharp right and walk to the right of the refuse bins to pick up the footpath which goes to the left of the Medical Centre. This footpath which is signposted, can be difficult to locate. It is a narrow path bordered by a fence on the right and trees on the left. The path opens out and you continue straight ahead, with Carewell Wood on your left, to cross a total of three stiles. After the third stile bear slightly right to walk uphill with trees on your right. Go through the kissing gate, which opens onto Racecourse Road, which is a busy road, so take care as you cross and turn right. Walk about 50 yards until you reach an enclosed footpath on your left, which leads to Dormans Road. Cross Dormans Road into West Street and then continue on the

footpath which is straight ahead. Continue under the railway bridge and turn right onto the golf-course, checking for any golfers who are in play.

When you come out onto the bridleway, which is Mill Lane, turn right and continue walking until you arrive at Racecourse Road. Turn left and walk along the pavement until you reach the pedestrian crossing. Turn right to cross the road here and walk straight ahead along the tarmac path to cross Eden Brook. Just as you reach the end of Lingfield Station platform, turn left and then, when you reach Station Road, turn right. When you reach Station Approach, turn left across the road to take the footpath that leads up through fields to the Star Pub. Cross the road and bear right into Church Gate. At the gates into St Peter and St Paul Churchyard turn left and then left again into the twitten which leads you back to the Lingfield and Dormansland Community Centre.
