Aims of organisation – state the aims and objectives of your organisation and the nature of its activity St Catherine's Hospice is an independent charity providing specialist palliative and end of life care, guidance and advice to adults with life limiting or terminal illnesses. Our expert clinical	

care, rated as 'outstanding' by the CQC, is delivered at both our Hospice on our Ward, and more widely in our community across the towns and villages of West Sussex, including Lingfield.

Our aim is to ensure that we not only care for people as they die, but that we help them to live fully, with dignity and comfort, until the end, and that we support those who care for them. Our vision is a future where everyone approaching death and those who love and care for them can access compassionate, specialist palliative and end of life care.

Our focus is on supporting local adults with complex care needs and who have a broad range of conditions including cancer, MND, heart disease, chronic pulmonary conditions, frailty and dementia. The age of our patients has ranged from just 18 to 105 over the last couple of years.

Carers, loved ones and relatives also receive specialist support, such as bereavement counselling.
